## ADULT PARKING AROUND THE CENTRAL CATHOLIC NEIGHBORHOOD

Dear Parents, Visitors and Alumni:

Central Catholic has an agreement with the Buckman Community Association that during the school day, evening and weekend events parents and visitors will first park on Stark Street and around the perimeter of the school. Please help us uphold the agreement and comply with our request by not parking in front of our neighbors' houses. The map identifies available parking areas. Parents, visitors and alumni may park in all spots available to students and faculty. Thank you for your cooperation.

Sincerely,

Administration of Central Catholic
