## PRAYER

Students, faculty and staff, please prepare for our prayer. Let us remember we are in the holy presence of God. **(pause)—wait for the students to stand in their classrooms—then continue with the prayer below).** Let us begin in the name of the Father, the Son and the Holy Spirit. As we face the year ahead, we pray in humility, in longing, for the courage to be open to the grace of God and to the path ahead. We pray that God's grace deepen our soul's capacity to deal with the complexities of our nation and our world. We pray that we will hear justice like a welcoming bell ringing out across our world. We pray that peace will become visible to us like doves flying across a winter sky. We pray that we may become Agents of justice, bearers of peace. We pray that we may know compassion for ourselves and our human family as we struggle to be open to the grace of God and the path ahead.

**In the name of the Father, the Son and the Holy Spirit.**
