

Advanced Chemistry Science Teacher

Central Catholic is a four-year, private Catholic high school, which has been located in the heart of southeast Portland, Oregon, since 1939. We offer students a transformative educational experience that emphasizes personal growth, critical thinking, academic excellence, and service to others. Our team of talented educators and staff provides the curriculum and care needed for students to become the best version of themselves, going on to have a positive, and purposeful, impact on the world. As one of the most diverse private high schools in the region, we foster a feeling of belonging through our shared vision, values, and beliefs. At Central Catholic, we teach and model Gospel values, the faith of the Catholic church, and the teachings of Jesus Christ through our comprehensive religious, academic, co-curricular, and service programs.

Members of Central Catholic's staff play a critical role in ensuring that every student becomes the best version of themselves, and goes on to have a positive, and purposeful, impact on the world. We have made a strong commitment to promoting diversity in our staff; we encourage individuals from all backgrounds to apply.

Essential job functions:

- Teach five individual classes of Honors and Advanced Placement Chemistry
- Teach knowledge and skills in science to students, utilizing the course of study prescribed by the Central Catholic-approved curriculum
- Develop lesson plans and appropriate instructional aides including laboratory learning methods
- Maintain professional growth and competence through participation in all professional development opportunities
- Attend all faculty meetings, parent, and other teaching-related meetings as assigned by the administration
- Assist with the supervision of student activities, assemblies, liturgies, and other student events as assigned
- Establish and maintain standards of student behavior required to provide an orderly and productive classroom environment

Qualifications:

- Bachelor's Degree or higher required
- Valid Initial or Continuing Oregon Teaching License required
- Masters in Science (Chemistry focus) preferred.

- Maintain licensure and certifications through the State and other certified agencies.
- Maintain first aid and CPR training.
- Maintain all required safety training: ALICE, CASE, etc.

Special Requirements:

- Experience with high school students is preferred.
- The person employed for this position must be able to verify identity and employment authorization.
- The candidate selected for this position must complete a pre-employment background check and all Archdiocesan required training and certifications.
